SOMERS  
TOWN LEGAL  
ADVICE  
CORNER

**In order to request an appointment an applicant will simply follow these steps:**

- 1** A prospective applicant will fill out a short form setting out the matter requiring assistance. This form will then be processed by Peter Simonson **peter@thelivingcentre.org** who will check that the application meets the formal requirements, which are explained in the supporting letter/form.
- 2** If the formal requirements are met, the Somers Town Legal Advice Corner coordinator will consider the merits of the application, determine whether the STLAC is able to assist, and, if so assign the applicant a suitable legal adviser.
- 3** The applicant will then be informed of the date and time for the initial consultation, which will normally last between 20-30 minutes. Applicants are kindly asked to bring all relevant documents with them. The legal adviser will then consider and explain the next steps, including those necessary to formalise the client-lawyer relationship.

The STLAC will begin by offering its services for an initial period of **6 months from October 2019**, following which it will review the demand and provision of its services. The vision driving the establishment of the STLAC is the conviction that skills and knowledge within a local community should, to the extent possible, be shared and inspire others to do the same.

There are opportunities for internships and work placements. Any young people in Somers Town with an interest in Law and who would like to gain experience working with the STLAC are welcome to get in touch at **info@thelivingcentre.org**
